

# Whatever career you're looking for... You'll find it in local government

## Did you know?

Local government employs close to 200,000 people in 537 different councils across Australia.

We have a huge variety of rewarding jobs that help make communities better places to live and work.

## Councils offer roles for

- Apprentices
- Trainees
- School leavers
- University students
- Graduates
- Office workers
- Outdoor staff
- Managers
- Professionals and senior executives

## Opportunities to progress your career within and across councils are endless.

Here are just some of the areas within councils where you'll find great jobs.

- |  |  |   |
|--|--|---|
|  Engineering            |  Environment          |  Human Resources               |
|  Planning & Development |  Community Services   |  Parks & Sports Facilities     |
|  Communications         |  Economic Development |  Property                      |
|  Business Services      |  Finance              |  Tourism, Culture & Recreation |
