

READY.SET.JOB

COUNCIL EMPLOYMENT READINESS SERVICE

AN INITIATIVE OF WORK+STAY

” **Kickstart your career in Local Government.
Don't leave it to chance, be ready when they call!**

OVERVIEW

This service will support you to develop a standout application, spotlight your alignment to your desired role and get you interview ready. Give Hiring Managers every reason they need to select you.

Work+Stay are specialists in recruitment for Local Government. We have a team of recruitment and employment readiness experts who understand council hiring practices, role requirements and what it takes to secure a job with a council.

We have developed the **READY.SET.JOB** service based on our extensive experience successfully placing candidates with councils across Australia.

READY.SET.JOB Consultants are expert in mapping your skills, experience and attributes to role criteria and specifications

They can support you to understand what hiring managers in your job type are looking for, so you can put your best foot forward and land a great role in Local Government.

READY.SET.JOB IS POWERED BY WORK+STAY

A not-for-profit Social Enterprise initiative of Settlement Services International.

Work+Stay are regional workforce specialists, offering:

- Regional recruitment to Local Government employers
- Candidate readiness support for Local Government applications
- Candidate training to better understand Local Government

*Using the READY.SET.JOB service does not guarantee you will get a job. Work+Stay will diligently provide you with a comprehensive and quality service, however Work+Stay does not guarantee your future employment.
